

## Because of your support

Achieve-A-Bowl wouldn't be possible without the generous support of our many sponsors!

Sponsorships add to our overall goal for the year, subsidize lane costs for bowlers and help provide excellent prizes for our hard-working fundraisers!

In the 37-year history of the event, Achieve-A-Bowl has raised over \$2 million toward Junior Achievement of Rhode Island's programs teaching students about money, careers and business ownership.

Achieve-A-Bowl goals are largely met due to support from RI business community sponsors. We would love to feature your organization at the Achieve-A-Bowl!

## Empowering Rhode Island Youth

### Our Mission

The mission of Junior Achievement of Rhode Island is to inspire and prepare young people to succeed in a global economy.

### Our Legacy

Our legacy will be for all Rhode Island youth to be given access to opportunity and success.

### Our Promise

- ▲ Empower young people to own their economic success by enhancing the relevancy of education.
- ▲ Ignite the spark in young people to experience and realize the opportunities and realities of work and life in a 21st century global marketplace.
- ▲ Create direct connections between the business world and young people in order to introduce them to the opportunities and principles of a free market economy and to stimulate economic success!

## Why Junior Achievement?

Junior Achievement of Rhode Island is a non-profit organization whose mission is to inspire and prepare young people to succeed in a global economy. Through a dedicated volunteer network, JA provides in-school and after-school programs for students in grades K through 12 that focus on the three content areas of workforce readiness, entrepreneurship, and financial literacy.

Some key facts about Junior Achievement:

- ▲ It only costs \$62 per year to provide a student a JA experience.
- ▲ 82% of JA students felt they had more awareness of career options available to them.
- ▲ 82% of students said JA made them understand the importance of staying in school.
- ▲ 89% of JA students reported they were confident they understood the concept of money management.
